Good news. Can you reach out to DNREC with the current schedule and Kyle to let her know Shawn was letting local officials know about the concurrence. Thanks

Paul,
Please see the attached concurrence letter that has been mailed to the Regional Administrator. Sec. Garvin is reaching out to the local elected officials at this time. Do you happen to know the future time frames for the proposed listing? As always feel free to let either Qazi or I know if you have any questions.

Thanks,
Tim
